**Old Business:**

**Science Assembly –**

The science assembly with Jeff Boyer was a great success. Approximately 30 remote students attended the afternoon performance. Parents were very happy with the way students were welcomed and recognized. Thanks to Travis Gilberti for setting up the program.

**New Business:**

**Dance Party -**

Mr. Boyd stated that there is a tentative date of June 11th to have a hip-hop dance party. One of the hip-hop dancers from the Center for Creative Education in Kingston will instruct the students on dance moves outside and then lead them in a dance party. Remote students will be invited to participate.

**Reading Incentive Program –**

The students on the 3-5 side will be participating in the annual reading incentive program. The kickoff date is May 14<sup>th</sup>. Students are encouraged to read and keep track of their minutes. Kathy Dunn has planned some fun activities to encourage healthy competition between classes and grade levels. The final reading celebration will be outdoors on June 4<sup>th</sup>.

**Field Day -**

Rachael Carter and Travis Gilberti are working on setting up field day activities for the last week of school. There will be a schedule of times for classes to come outside and participate safely within their cohorts.

**Celebration Day** – Student Council will be meeting with Mr. Boyd. They have lots of ideas. The celebration may be staggered by classes, so families have a framework for time. Fifth graders liked having the spotlight on them with their teachers.

**BLT/DLT -**

DLT had a full day meeting on 5/3/2021 to discuss the mission/vision statement for our school district. They worked on a draft of the document. At the request of Janet Warden, the BLT reviewed and discussed it. The mission/vision statement will be shared at our May Faculty meeting.

**Budget Vote -**

The budget vote will take place on May 18<sup>th</sup> from 12:00 – 9:00. This is a half day for Mill Road, so only the AM cohort will have school on that day. There are two board of ed. Openings and 7 candidates. There is a possibility of adding two additional seats to the BOE.
