SUBJECT: COMMITTEES OF THE BOARD

The Board and/or the President of the Board may, at its discretion, establish committees for the purpose of undertaking a specific task in connection with Board activity. These committees, however, cannot make legal decisions for the entire Board.

At the request of the Board, the President will appoint temporary committees consisting of less than a quorum of the full membership for special purposes. These committees will be discharged on the completion of their assignment. The President of the Board will be an ex-officio member of these committees.

The Board recognizes that it may be necessary from time to time to authorize advisory committees for the purpose of enlisting opinions and counsel of the general public. These committees will be appointed by the Board. The Board has the right to accept, reject, or modify all or any part of a committee recommendation.

Audit Committee

The Board has established an audit committee to oversee the annual audit of the District and report on its findings to the Board.

Visitation Committee

The Board will visit every school or department at least once annually and report on their conditions at the next regular meeting of the Board. This Committee may be combined with the District-Wide School Safety Team, and/or the Facilities Committee.

Communications Committee

The Board established a Community Communications Advisory Committee on April 29, 2019, as an Advisory Committee. The Board wishes to establish indefinitely a Communications Committee, with the goals of promoting the accomplishments of the District in a collaborative spirit with parents, community members, and organizations, and to assist in the overall communications for the district.

Policy Committee

The Board has established a Policy Committee to review and revise new and existing policies, and to keep current with legal requirements and current educational practices.
