

# RED HOOK CENTRAL SCHOOL DISTRICT

## POLICY # 8130

### Emergency Planning

The District shall develop and maintain a school Emergency Management Plan in compliance with the Commissioner of Education Regulation 155.31. The plan will provide for sheltering, evacuation, early dismissal, written notification to the students and staff, an annual drill, and coordination with local and county Emergency Preparedness administrators.

An Emergency Planning Committee shall be established to periodically review the district's Emergency Management Plan.
