

RED HOOK CENTRAL SCHOOL DISTRICT

POLICY # 8132-R

Fire Drills Regulation

During fire drills the following procedures should be observed:

1. Classes and school staff should exit the building quickly and quietly.
2. Use the closest, unblocked exit.
3. Walk away from the building in a single line, reenter the building in reverse order when the outside bell rings.
4. Teachers should keep their classes under control and away from the building while waiting for the return signal.
5. All personnel are to leave the building during fire drills.
