

# RED HOOK CENTRAL SCHOOL DISTRICT

## POLICY # 8200

### Buildings and Grounds Maintenance

All district buildings and grounds are to be maintained in a condition of safe repair, attractive appearance, and functional utility that enhances the educational and administrative processes.

The Administrative Assistant to the Superintendent shall maintain cooperative relationships with all building principals. He or she shall supply all possible maintenance and repair services promptly in support of the instructional and administrative work within the various buildings.

Note: Prior manual, Sections 8601.1 and 8602.1
