

RED HOOK CENTRAL SCHOOL DISTRICT

POLICY # 8230

Custodial Services

Custodial personnel in each building will perform necessary plant operation tasks under the administrative direction of the building principal. The supervision of the technical aspects of custodial and maintenance work is to be performed by appropriate members of the central office staff.

Items in need of repair or adjustment shall be brought to the attention of the building principal as soon as possible so that the necessary work order can be processed.

Note: Prior manual, Section 8502.1
