

January 4, 2021

Dear Red Hook Central School District Community:

The Red Hook Central School District received notification of one **positive COVID-19 result for a student at Red Hook High School, one epi-linked student at Linden Avenue Middle School, and one epi-linked student at Mill Road Intermediate School.** As a result, these individuals are currently isolated, and due to federal health privacy laws, further information about their Identity or condition cannot be released. We are working collaboratively with the Dutchess County Department of Health, and as always, the safety of our students and staff is our highest priority. The above students have not been in attendance since December 18th; therefore, no contact tracing needed to be conducted by the school district based on date of test or onset of symptoms.
