

Mill Road Elementary School

9 Mill Road

Red Hook, NY 12571

Brian Boyd, Principal

February 2010

Dear Parent or Guardian:

As a result of the No Child Left Behind Act of 2001, any school identified as needing improvement (SINI) must offer Supplemental Educational Services. Last spring, Mill Road Intermediate School was identified as a SINI due to the participation rate of economically disadvantaged students. This request form is to provide you with an opportunity to choose a Supplementary Educational Service Provider since your child attends Mill Road Intermediate School and qualifies for free or reduced lunch.

As a parent or guardian, you have the option of receiving tutoring support at school or at home and can choose the provider that is best for your child. A list of approved SES providers and descriptions of their services have been included with this letter, along with an application form. This letter and information regarding SES is also available on the school web site under Supplemental Educational Services.

When deciding which SES program is best for your child, you may want to consider these questions:

- When and where will the tutoring take place?
- How often the tutor will meet with your child and how long is each session?
- What programs are provided by the tutor?
- What type of instruction is used (e.g. small group, one-on-one, computer based)?
- What are the tutors' qualifications?

Please note that if demand for SES tutoring exceeds the available funds, priority is given to the academically lowest-performing eligible students requesting these services.

This is a terrific opportunity for your child to receive additional support at no cost to you. If you have any questions or concerns with regards to SES or the providers included, don't hesitate to call the main office at 758-2241 X3.

Sincerely,

Brian Boyd
Principal
